

WI-IL Agility Club of Spring Grove Illinois
November 14 & 15, 2009
AKC All Breed Novice-Only Agility Trials
WAG Building, 7705D Industrial Court, Spring Grove, IL 60081

IMPORTANT! There has been a change in judge. These trials will be judged by Kathy Humphreys (TX), not Susan Roehm as advertised. Should you want to withdraw your entry due to the change in judge, please contact the trail secretary immediately!

Please carefully review your entry confirmation information and contact the trial secretary with any corrections by e-mail (preferred) at frail@att.net, or by phone (847) 918-8623. Phone messages may take longer to return. E-mails will be answered the same day they are received. If you don't get a reply to an e-mail, then I did not receive it. Any corrections not received in a timely manner may result in your corrected information not being updated on trial paperwork, which will create more confusion for you on the day of the trial. We highly recommend that you review your confirmation information immediately upon receipt. Especially important is to check is your dog's AKC number and classes/heights/days entered.

Please note that the trial is closed, therefore the secretary is not allowed to make any corrections to classes, days, or heights entered due to exhibitor errors – exhibitors are solely responsible for the accuracy of their entry forms. Only errors by the club/secretary will be corrected.

Armbands will be available at the trial. If a valid height card was not included in your entry, you must show a height card at check-in or have your dog measured prior to the start of your class.

Measuring:

Because there are a large number of dogs requiring measuring for this trial, please be sure to allow enough time for getting your dog measured before your class starts. It's highly likely you may need to wait in line for measurement. No dog is permitted to run who has not presented a height card or been measured. Measuring will be done each day prior to the first class briefing, and again before the standard and JWW briefings (see the schedule on the enclosed page. Please note that except for morning start times, all times are approximate). All exhibitors must check in with the gate steward before their class starts.

Parking:

There is limited parking behind the building (near the main entrance door); priority will be given to those who are crating in their vehicles on a first-come first-served basis. Additional parking is available all around the building, on Industrial Drive, and across the street in the lot directly across from the WAG entrance (not the Coffee Masters lot). For those in the lot across Industrial Drive or on the street, the building may also be accessed from the opposite side by the door next to the loading dock. Some of our neighbors may need to receive shipments on the weekend, so please don't block any of the large overhead doors. Parking by the WAG loading dock is for member workers only. There is **no** unloading zone.

Crating:

There is NO Friday night set up. The building opens at 7:00 Saturday and Sunday morning. There is limited crating space in the building, on a first-come first-served basis. To make best use of space, **no unentered dogs are permitted in the building**, crates should be stacked whenever possible, crates and chairs must be arranged as directed, and we recommend that you come prepared to keep dogs in your vehicle if necessary. There are some existing crates in the building marked with orange tags for public use – if you don't bring a crate you may use any of these crates to hold your dog, either all day, or temporarily during walk throughs, briefings, if you have multiple dogs that run close together, etc. No exercise pens permitted.

Workers: (Worker questions? Contact Patti Jo at whabc10@wi.rr.com or (262) 862-9638.

Thank you for offering to work our WAG trial. The worker schedule will be e-mailed to those who have offered to work and will be posted at www.wagagility.com.

Due to space considerations, there will be no food for sale on site (food will be provided for workers only).

Clean up after your dog, both at the site and at the hotel. Anyone caught not cleaning up may be asked to leave the trial without running and without a refund.

Hotels:

- Super 8, 11200 N US Rte 12 (Main St), Richmond, IL 60071 (815) 678-4711
- Comfort Inn, 350 N Hwy 173, Antioch, IL 60002 (847) 395-3606

Directions:

From the North:

Take Route 12 south (East Rt 12) to Spring Grove. Industrial Court is one block before Spring Grove Road and will be on the left side of the road.

From the East:

Take Rt 173 West to Winn Road South to Rt 12 West. Industrial Court is one block West of Winn Road.

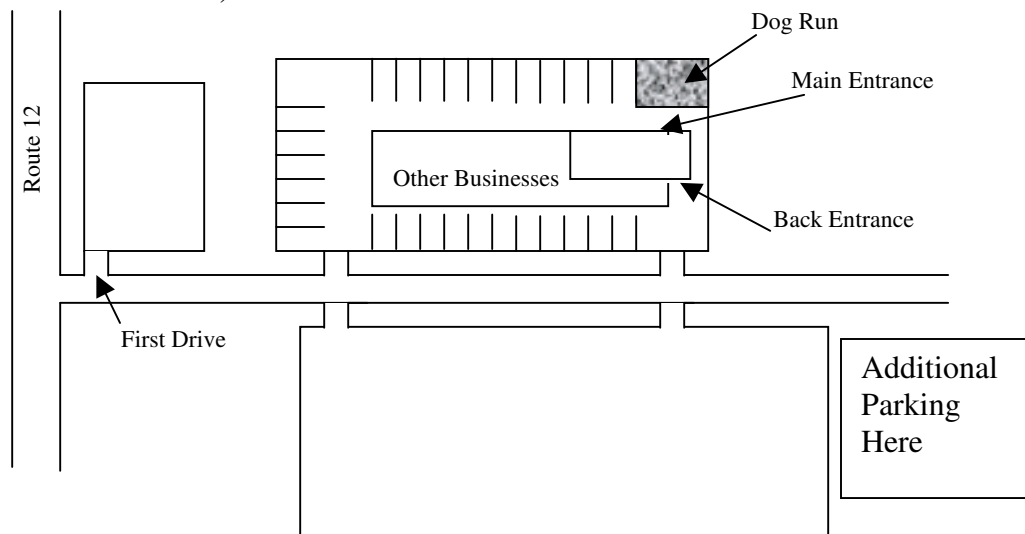

From the West:

Take Rt 173 East to Route 12 South to Spring Grove. Industrial Court is one block before Spring Grove / Winn Roads.

From the South:

Take Route 12 north (West Rt 12) to Spring Grove. Industrial Court is one block after Spring Grove / Winn Roads, and will be on the right side of the road.

Once you have turned onto Industrial Drive, take it to the second drive on the left (note: the first drive on the left is immediately after the turn onto Industrial so is easy to miss). Someone will be directing parking. The main entrance to the building is straight ahead from the turn off of Industrial, then right around to the back of the building. An alternative entrance is located next to the loading dock, on the far right side of the building as you face the building from Industrial Drive. The door is marked for WAG, Building D and will be unlocked. Be aware that our neighbor has a loading dock and access door adjacent to ours so check the door to make sure it's the right one. You may park in parking places around the building, except do not block any of the overhead doors. Additional parking is available on Industrial drive (street parking) and also across the street (Not in the large Coffee Masters lot).

WI-IL Agility Club of Spring Grove Illinois
 AKC All Breed Novice-Only Agility Trials
Saturday November 14 and Sunday November 15, 2009

Times shown below are approximate. Classes will not start before the times shown, but may start later. This gives us the flexibility to run an efficient trial. You may check in anytime before the start of your class.

If you did not include a height card with your entry, you must show your height card at check-in to receive your armbands. Dogs who do not have a valid height card must be measured by the judge before they will be allowed to run. If your dog needs to be measured, please plan on coming early. Since this is a Novice-only trial, there are a lot of dogs without cards who will need to be measured, so you may need to wait in line – don't wait for the last minute. The measurement is good for the weekend. If you are measured on Saturday, you do not need to be re-measured on Sunday. Measuring for FAST will end at 7:45 AM. Any additional measuring times are at the judge's discretion and the club makes no guarantees that you will be able to be measured before your run; dogs who have not been measured and don't have a height card will not be permitted to run. There will be a short opportunity for measuring between standard and JWW for those not entered in FAST.

Running order within each height will be "B", then "A", then Preferred.

Check-in starts at 7:15; after that you may check in anytime before your run.

Saturday – Total Entry: 304

7:00 AM Building Opens
 7:15 AM Check-in Starts, Measuring, General Walk-through
 7:50 AM Judge's Briefing & Walk-through for 4-8-12-16" dogs
