This seminar is geared toward teams who desire a great working relationship with their dogs, clear-cut criteria and a consistent handling system.

Beginning on Friday evening, Michelle will review and demo the foundation skills that make up the criteria for a motion based handling system. Saturday and Sunday will be spent learning how these skills fit into the upper levels of training and trialing.

Michelle began training at ABCTC in July 2005 with her English Springer Spaniel, Noodle. She quickly immersed herself with the training philosophies of Ann and ABCTC. Soon she was assisting Ann and became an ABCTC instructor in March 2007.
