Acknowledgement of Risk. I/we understand that attendance of a dog agility class contains risk to me, adult or minor members of my family or guests (henceforth called student parties) who may attend, and to my dog, because agility obstacles contain inherent risk and some dogs may be difficult to control and may be the cause of injury even when handled with the greatest of care.

Waiver for Damages and/or Injury. In consideration of and as inducement to the acceptance of my application for training at this organization, I/we waive, indemnify and release the WAG organization, its employees, members, officers, and agents (henceforth called WAG) from any and all liability and claims of any nature, for property damage or bodily injury including death suffered by student parties resulting from the action of any dog or from agility obstacles, even if caused by alleged negligence by WAG, student parties, or any other person(s). I/we expressly assume the risk of such property damage or bodily injury to the student parties while attending training sessions, or any other function of WAG, or while on the training grounds or the surrounding area.

Vaccination Statement. I/we certify that any and all dogs I bring to the WAG facility **are vaccinated against rabies as required by law in the county in which I reside**, and protected against distemper and parvo as recommended by my veterinarian.

SIGNATURE REQUIRED

Rules. I/we agree to follow the class rules and directions as given by the WAG Instructors, and abide by the Building and Ground Rules, and Ring Rental Rules if I/we choose to rent, available and posted at the WAG Building. I/we understand that my failure to abide by these rules and directions may result in my temporary or permanent dismissal, with or without refund, at the discretion of WAG.

Refund Policy: If a new student cancels before the first class in a session, the session fee is refunded except for a \$30 nonrefundable portion. Once the session starts there are no refunds. Payment is for an entire session; any missed classes during that session will not be refunded and may not be made up. If a bitch comes into season during a class session, the cost of the class session immediately following may be reduced by the number of classes missed in the current session.
